

Childcare Home Practitioner Diploma

Course Description

Improve your childcare knowledge and develop your home-based childcare skills with this nationally-recognised course

NCC Home Learning's Childcare Home Practitioners' Diploma leads to a **nationally-recognised** Level 3 award accredited by OCNW. It has been designed to enable you to strengthen and develop your knowledge and understanding of home-based childcare practice.

Course topics include: The introduction to childcare practice, childcare and child development (0-16), the childcare practitioner and planning to meet children's individual needs.

The overall course will help you to improve your knowledge and skills, meet the requirements for basic training as part of child-minder registration or application to be a registered child-minder and undertake professional development.

Previous Knowledge Required

No previous knowledge or experience is required to study this course.

Duration

6-12 months self study and supported distance learning is recommended.

Support

You will receive the course manual, assignments and study guide plus tutor support by mail and email.

Our student support team are also available for any other queries that you may have whilst completing your course. You can be assured that unlimited support is available for your home study course, so there is no need to struggle or feel isolated during your studies.

Assessment

Theoretical information is provided throughout the course, followed by a series of exercises that are to be completed and marked by your personal tutor.

Modules

- a. The key features of child development and developmental needs of children 0-8 years inclusive of individual and special needs
- b. Providing for children's physical needs inclusive of health and safety
